### **Nominating Form Instructions:**

- Please nominate up to five students from your choir (preferably at least one from each voice section) for consideration for the High School Choir Festival Honor Choir.
- At this point, we plan to select three students from each school, but may invite up to four students.
- On the Nomination Form, please list the students in your ranked order for nomination, with Student One being the highest ranked student you recommend to participate in the Festival, etc. We will try our best to honor these requests while maintaining a balanced ensemble.
- Please include any comments in the provided space about the student that you think may assist the selection process (such as sings Alto 2, takes voices lessons, please choose the seniors, etc.)
- Please include the contact information for all nominated singers. This will help us save an additional step later... *and one less form for you!*
- On the form, please indicate if you already have copies of the Honor Choir selections that your students can use. If not, we will order copies for the participating students.

### **Selection and Notification Process:**

- **Please** return the completed Form to the Master Chorale **by Friday, February 5, 2010.**
- We will do our best to notify the directors of the Honor Choir Roster by the following Friday, February 12. At that time, we will also mail to the school the music scores and practice CDs that will have recordings of the three selections for your Honor Choir students. Please confirm that your students will be able to attend at least two rehearsals.
- In late February, we will also send additional information about the rehearsal venues, parking instructions, etc.

### **Honor Choir Participation Requirements:**

- Honor Choir Participants must be able to attend at least two of the three Honor Choir Rehearsals in order to be eligible to participate (Ideally, all participants should be available for the last rehearsal on 4/12/10). Students are strongly encouraged to attend all three rehearsals, if available.
- Nominated Students should be responsible musicians capable of preparing the Honor Choir selections on their own
